The number of awarded seats will be determined by every \$1,960 in the total prize pool with a minimum of packages guaranteed, with any residual funds going to the player that has the most chips (Chip leader) once all seats have been awarded. If there is a tie in chip stacks, the players will split the remaining payout. Winners will receive nontransferable and nonrefundable entry tickets into Winter Series events (\$1,960 value). \$360 entry tickets good for either \$50,000 event on 12/27, 12/29, 1/5, 1/8 or 1/10, \$500 entry ticket good for either \$100,000 event on 12/28, or 1/1, \$1,100 entry ticket good for Day 1A: 1/2, Day 1B: 1/3, or Day 1C: 1/4, which all start at 11am, or Day 1D: 1/4 at 5pm, see structures for details. \$250 buy-in (\$205 prize pool + \$27 entry fee + \$18 service fee). Entry fee and Service Charge not added to prize pool. No chop will be facilitated. Players earn points towards tournament player promotion. Upon verification from the tournament staff (floor), the player who has achieved the Milestone, or opened a top Mystery Bounty envelope, the player will cease play and the total of their chips will be removed from play. If a player knocks out a player during the Mystery Bounty portion of the event, and is verified reaching the Milestone, the player will not be eligible to open a Mystery Bounty envelope. Players can only win one voucher at a time.

**The Milestone:** A Player who accumulates 200,000 in tournament chips (Milestone) or more will instantly be awarded three Vouchers (\$1,960 value). All tournament chips must remain in full stacks of twenty chips when available to facilitate the time and accuracy of the event. It is the responsibility of each individual player to notify the dealer or tournament staff after the hand is over and before the start of the next hand when they have reached the Milestone. A tournament staff member must be called to verify the tournament chip count of a player who is making a claim for the Milestone. The tournament staff will make the best effort to identify players that reach the Milestone. A player who is dealt into a subsequent hand after achieving the Milestone will be required to complete the hand prior to being verified, if at the completion of the additional hand, a players' chip total falls below the Milestone, they do NOT qualify for the Milestone.

**The Mystery Bounty:** After the close of registration, once the event is down to 20% of the field, a Mystery Bounty will be placed on the remaining players. A player eliminating a player, will receive a voucher for a Mystery Bounty prize. Mystery Bounty prizes must be redeemed by presenting the Mystery Bounty prize voucher to the Tournament Staff located at the designated redemption location, at which time the player will randomly draw an envelope from the Mystery Bounty drawing drum to reveal their Mystery Bounty prize. If two players eliminate a player, the player with more chips will win the Mystery Bounty. Mystery Bounty prizes will range in value from a series package (\$1,960 value) to \$0.00 (ZONK!) based on the minimum tournament guarantee. Mystery Bounty prizes to be distributed as follows: 50% of envelopes will show a Voucher (Top Mystery Bounty), however, players will only be awarded a Top Mystery Bounty as long as the total remaining prize pool exceeds the \$1,960 threshold. All Mystery Bounty envelopes must be redeemed immediately after receiving the Mystery Bounty from eliminating a player. Mystery Bounty prize vouchers are the sole responsibility of the player. Lost or stolen Mystery Bounty prize vouchers will not be replaced.
